The Wesley Foundation at WCU

In 1946, Cullowhee Methodist Church formed the Wesley Foundation as a new way to reach out to college students on Western Carolina College's campus.

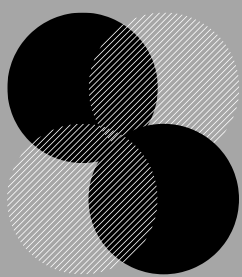

1946 — 1976 — 1992 — 2000 — 2019

Over the past 73 years, Cullowhee Methodist and the Wesley Foundation have strived to reach out to college students to give them a "home away from home," lots of opportunities to serve their local community, and a safe place to worship. This long standing history has morphed into our current mission statement:

We strive to CONNECT students to each other, CONTRIBUTE to the world around them & CELEBRATE God through worship.

Players and Sponsors,

Welcome to the Wesley Golf Classic. Your participation in this event means everything to us. We would have a very difficult time continuing our work with college students without your participation in this event. Your generosity through this event is a lifeline between us and students.

What we do is "ministry" but let me explain to you what that looks like in our context. Ministry allows for us to support students who do not have any family nearby. This support comes in unlimited forms such as: helping a student move, bringing a student to the doctor, helping a student process challenges in his/her life, teaching them how to manage personal finances, helping them to connect to the local church and community, helping them help others, and so much more. As you can see, the Wesley Foundation provides important relationships and experiences that help our young adults in times that are already pretty difficult. Thank you for being part of that support!

Wesley Golf Classic

In 2011, the first annual Wesley Golf Classic was held at Lake Junaluska Golf Course with the help of Jeff Rainwater (alum '75).

With the help of alumni, students, church and community volunteers, we have been able to host the Wesley Golf Classic for the past 8 years. We've held the classic at Lake Junaluska and Sequoyah National in the past. This has become our biggest fundraiser of the year for the ministry.

In February, we celebrated reasons why we love Wesley. We shared old pictures from scrapbooks and Catamount yearbooks found in the church cabinets from the 1950's all the way to the present.
